Bowling Etiquette

Good etiquette helps everyone enjoy their game and prevents disruption on neighbouring rinks.

During Play

- Stand behind the bowler on the mat and remain still until the bowl has been delivered.
- Players at the head should remain behind the head and avoid distracting the player who is about to bowl.
- In fours, the number 3 player, and in triples, the number 2 player, may stand at the head when giving instructions or information to the skip.
- Wait until the previous bowl has come to rest before taking possession of the mat and delivering your bowl.
- When changing ends, walk along the middle of the rink at a reasonable pace so that players on other rinks are not disturbed. Do not stop to chat in the middle of the rink.

- When there is a “short” end, players at that end should stand well behind the head to avoid obstructing or distracting bowlers on adjacent rinks.
- At the bowling end, do not stand where you could obstruct or distract the player about to bowl.
- At the head, stand behind the head and remain still while a player is preparing to deliver their bowl.
- Keep track of the game so that you know the current situation when it is your turn to play.
- When it is your turn to bowl, allow your skip time to give any necessary instructions.
- Skip’s should give clear instructions and encouragement and should not criticise players.
- If you intend to play a **firing shot**, warn the other players so that they can move out of the way.

Disagreements and Disputes

Please resolve any disagreement about the score calmly and amicably.

If necessary, consult the skips to decide the outcome of the end.

Players involved in a disputed end or game must not argue, shout or swear.

Players on other rinks should not become involved in the dispute or discuss it openly away from the rink.

Any issue that cannot be resolved between the players should be referred to the Bowling Committee in writing.The Committee will consider the details and notify the skips of its decision in writing.

Sportsmanship

Games should be played in a friendly and sporting manner.
